

## Easter Celebration

Hsinchu Prison conducted an “Easter Celebration” activity at 9:30 am on March 23. Evangelic Group of Catholic Pastoral Service Association was invited to care the inmates. The Rehabilitation and Education section chief, Lo Mao-rong, took charge of the activity, and introduced the guests as the opening.

The volunteers of the evangelic group first explained the origin and spirit of Jesus’ resurrection and sang several evangelic songs. They expected to make inmates feel peace in mind and repent in calm.

At the end of the activity, the volunteers gave inmates a footbath, which made them have a humble attitude and feel the presence of love. We hoped that inmates could face the new life and challenge with calm and wisdom when returning to the society.
