

Face Dawn Light, Reshape New Life

Hsinchu Prison held the “Face Dawn Light, Reshape New Life” group counseling activity at 2 pm on April 25. Mrs. Wen, Mr. Wen, Mr. Chen Zheng-yan, The Zhangs, and Miss Huang Zhen-wen, the member of New Hope Foundation and Xindian Top Church, were especially invited. The Rehabilitation and Education section chief, Lo Mao-rong, took charge of the activity and introduced the guests. As the opening, the member of Ukulele music class played the Ukulele and appreciated the Foundation’s long support through songs. First, Mr. Zhang Luo-ming shared his life story. Mr. Chen was once in prison and also a junkie. After he left the prison, he believed in god and decided to quit the addiction. Although the process was pretty hard, he still got over it and turned the corner with the religion. Mr. Chen Zheng-yan then talked about his change of life. Mr. Chen was once a tycoon of illegal gambling video games who earned more than 10 million dollars a month. He was violent and pugnacious, and he also took drugs. He later repented in the prison and accepted the embrace of god. Through the power of the religion, he finally turned over a new leaf.

With the stories and experiences, we hoped the inmates could be inspired and solve the problems by different way of thinking, and worked hard to adapt the society after leaving the prison.
