Hsinchu Prison, agency of Corrections, Ministry of Justice set a “Miss Mom” life education activity at 2 pm on April 29, 2016. Inmate-care Association, a non-profit corporation, held the activity, and the Director Qui Zhi-hao, the Secretary General Guo Wen-zong, and other 14 members of the association were especially invited. The Rehabilitation and Education section chief, Lo Mao-rong, took charge of the activity and introduced the guests. He appreciated the long-term care for the inmates of the association. As the opening, Mr. Chen Kai-lun and his son, Mr. Chen Rui, shared their life witness. They brought touching life story and songs to the inmates and touched everyone. Then, the other members of the association gave the Mother’s Day special performance, the tap dance. The inmates were all attracted by this series of performance and applauded for the performers. In fact, behind every wonderful performance, there were a tortuous story and mother’s support.

The purpose of this activity was to convey a concept: Fulfill filial piety in time, do not regret after parents leave. We hoped the inmates could be inspired and turned over a new leaf.
